CURES OTHERS.

M. W. SCOTT, Esq., of the U. S. Marshall's Office, Atlanta, Ga., writes: "For many years my wife has been a constant sufferer from indigestion, sick headache, nervous prostration and all other complaints that the female sex is heir to, and, after trying many remedies and doctors with but little or no result, I persuaded her to try Dr. Pierce's Favorite Prescription and Gold-En Medical Discovery. She was so out of heart, she returned the answer that it would be like all the rest of no good; but on my account, she said she would try it. I got one bottle each, and before she had used half of a bottle she felt that it was doing her good. She has continued to improve ever since, and now thinks it the most wonderful remedy on earth for her case, and recommends it to all suffering females. She has not been so well in ten years."

NORMAL SCHOOL.

[Correspondence of Alexandria Gazette.]

CHARLOTTESVILLE, July 29.—The corps of instructors appointed by the State Board of Education for the Charlottesville Normal is as follows: Prof. Chas. H. Winston, LL. D., of Richmond College, theory and practice of teaching; Mrs. C. W. Rogers, language and spelling; Mr. Geo. F. Merrill, principal of Richmond High and Normal School, arithmetic and reading; Miss Annie Winston, of Richmond, history and drawing; Prof. S. H. Owens, of Staunton, geography and physiology.

Much satisfaction is experienced by those in attendance upon the normal school with the work done here under the above instructors, and they are glad to be able to say that all of the Alexandria teachers have been very attentive, not missing one class during the whole time from the date of entrance, and they will doubtless return home better teachers for their visit. The work being done is thought to be the most practical of any normal yet held in this State. The Alexandria teachers who remained at home have missed a great opportunity. Every Tuesday night lectures have been given by some of the professors from the University of Virginia on various subjects of interest and instruction to the teachers.

The "Deestrick Skule," an interesting and amusing reminiscence of Auld Lang Syne, the last of the normal entertainments, was rendered at the Levy Opera House last Friday night by the pupils of the normal school, and was enjoyed very much by all present. The session of the normal will close on Tuesday, July 30th, with the giving out of certificates to each member of the school enrolled, and the city and county superintendents are to grant teachers certificates without examination.

DIVORCES EXCITED.—Among the many important cases decided at the present sitting of the Oklahoma Territorial Supreme Court is the celebrated Irwin divorce case from Stillwater, Payne county, in which the court, Justice Daly, writing the opinion, reaffirmed its former opinion denying that probate justices had jurisdiction in divorce cases after August, 1893, and declaring all divorces so granted null and void, and any subsequent marriage of the parties bigamous. Ever since the original decision of the supreme court excitement has prevailed among those persons who secured probate court divorces. The majority of these persons come from the east and they are making haste to renew divorce proceedings in the district court. But many prominent divorcees, after receiving matrimonial freedom from the probate judges, failed to return, hence those who married again are subject to arrest at any time on the charge of bigamy. The last Legislature passed a bill legalizing all probate court divorces, but Congress failed to ratify the measure and it is consequently invalid.

PRaised BY THE POPE.—Cardinal Gibbons is still in Rome. He goes to London to-day. In an interview yesterday with a representative of the United Press the cardinal refused to speak of Mr. Satelli, the papal delegate to the United States, or to discuss educational or other questions. He said, however, that the Pope had expressed the warmest interest in the American republic, as well as his admiration of the material and intellectual enterprise that characterized its people. The Pope, he said, had particularly commended the people of the United States for their love of law and order and the spirit of religion that was manifested in many phases of public life, especially the great respect shown by the people for the Lord's Day.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, cures wind colic, and is the best remedy for Diarrhea. Is pleasant to the taste. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind. oct12 eo d wlyr
